2 Love Håleryd likes this distance and scored a good victory. Is well drawn behind the gate and should have a good chance again. 8 Digital Science got an impossible run in the last start. Finished 12/1000 a bit behind the winner and is in good shape. 3 Vulcano O.P. makes his debut for Robert Bergh here but will not be driven by him. Interesting anyway. Place chance. 7 Powderfinger makes his comeback after a long pause. Is good for this class.

6 Cleopatra Mystique has shown the right attitude so far and she is on the way up. Found the lead after 500 meter in the last run and won easily. Good chance again. 10 Perfect Lane has won two out of four races. Resumes from a spell now but with the right journey she will go around many opponents here too. 5 Ribot was allowed to dictate the pace in the last run and won easily in the lead. Tougher opponents now but should not be overlooked. 11 Navaho Ghostdance is chasing the first victory. Possible here with some racing luck.

Nice number and good chance again. 12 Conrads Janne was pressed in the lead in the last run and galloped in the lead with 700 meter to go. Won four races last year and should be followed here. 1 Elmo Ice was better than ever in the last run. Interesting number. Should be considered early again. 11 Hitthebar resumed from a spell in the last run and won directly. Should be even better now.

9 Vulcano N.P. is our pick in this tricky race. Got quite a tough run in the last start but scored a good third spot. Our pick here with some racing luck. 7 From Macarena needed the last run after a pause. He is a quick starter and will probably get an offensive start despite this number. 2 Cointreau got a late opening from third on the inside on Charlottenlund but finished to an easy win anyway. Nice number for a defensive journey again. 6 Brottarn scored a sensational win three starts back and is not bad. One out of many outsiders.
